Reading

This week in reading we will focus on text to text connections. As you are reading with your child, ask him or her if the book you are reading reminds him or her of another book.

Writing

The students' writing continues to improve daily. They are working hard on small moments- making sure their illustrations match their writing. We are very proud that they are using their kindergarten spelling.

Field Trip

We are looking forward to our field trip to the Farmer's Market on Tuesday, October 29th. Please return your child's permission slip as soon as possible. If at all possible please pay using the online link listed on the form to pay rather than sending in cash or checks. If you would like to volunteer, please let us know. (Remember you must be an approved WCPSS volunteer.)

Math

We will continue to work on matching numbers to objects and fluency with numbers using 10 frames. We will also work on more, less and equal to this week. Math workshop continues to be fun and educational for all.

Pumpkin Day

We will have Pumpkin Day on October 30th from 12:15-1:30. Stations will be set up and we will do many fun activities with pumpkins. We need lots of volunteers for this also! Please let us know if you can help out!

Report Cards and Conferences

Report Cards will be sent home on November 4th. Conferences will be scheduled soon!
