## Wiley Kindergarten Corner

11/18/2013

### Reading

We continue working on developing strategies for solving unknown words. We are working on key details in stories and continue making connections to the stories.

We believe learning sight words really helps children read. So, that is another focus for us now.

### Writing

We will continue working on small moments and begin writing opinion pieces.

### Kindergarten Winter Celebrations Around the World!

In December we will learn how various cultures celebrate. We need a few parents to help us organize this fabulous event. If you can help, please let your child's teacher know.

### Media

We are excited Ms. Molloy is back. Below are our Media days. Please help your child remember to bring his/her book back.

Anderson/Constantino- Thursday

Oliver-Wednesday

Swartz- Friday

### Math

We will be working on place value and helping students understand how to compose and decompose numbers from 11-19. Students still enjoy participating in our differentiated Math Workshop groups.

### Science

In science we continue investigating properties.

### Social Studies

In social studies students are learning all about needs and wants.

### Report Cards and Conferences

Report Cards will be sent home on November 25th.

Make sure to sign up for a conference so we can discuss your child's progress.

### Upcoming Events

11/19 Restaurant/10,000 Villages Event

11/21 PTA Meeting

11/25 Fall Makeup pictures

11/27-12/1 Thanksgiving Vacation

The PTA is looking for parents to help with the Snowflake Drive and Winter Thanks. If you can help, please contact Pamela Leitz at [pamela.lietz@gmail.com](mailto:pamela.lietz@gmail.com).
