

## Wiley Kindergarten Corner

11/4/2013

### Reading

We are helping students develop strategies for solving unknown words by asking 3 questions- Does it look right? Does it sound right? Does it make sense? We will also continue working on connections We are also adding sight words to our Word Walls.

### Writing

Our students continue working on small moments. We are encouraging our writers to take their time and do their best work. They are writing awesome stories!

### Field Trip

What a fun week we had last week! Many thanks to all of you who were able to join us on our field trip and/or help with the Pumpkin Day activities.

Welcome Benjamin Ross  
Anderson!

### Math

We will continue our work on counting and cardinality. We are working on less than, greater than, and equal to. Our students enjoy Math Workshop because they get a chance to play games to practice the skills we are learning!

### Science

In science we are beginning our Investigating Properties Kit.

### Social Studies

In social studies we are working on needs and wants.

### Report Cards and Conferences

Report Cards will be sent home on November 12th. Make sure to sign up for a conference so we can discuss your child's progress.

### Upcoming Events

11/8 Early Release (Dismissal at 1:15 pm)

11/11 Holiday
