

Wiley Kindergarten Corner

12/2/2013

Math

Our math workshop will continue with activities relating to numbers and quantities. We will work on composing and decomposing numbers from 11-19.

We can always use volunteers during Math Workshop. :)

Reading

We will be working on key details in informational and fictional texts. Students should also be practicing the sight words. We want them to be able to read and spell them.

Writing

We are beginning to work on opinion pieces. Students will continue to work on small moments too. We are so proud of how well the students are writing!

Social Studies: **Wants and Needs**

Kindergarten Winter Celebrations Around the World!

On Tuesday, December 17th from 9:30-11:30 our students will travel around the world to learn about different cultures. We would like to have 3 countries represented in each of the kindergarten rooms. Please let your child's teacher know if you are willing to help organize the event or present about a country. This is a very special event for our kids. We need many volunteers to make this a successful!

Classroom Needs

Anderson/Constantino- tissues

Oliver- glue sticks, tissues

Swartz- Markers (thin or thick)

Fabric scraps (to use as erasers for dry erase boards.)
