

Kindergarten Weekly Homework

Week of September 16, 2013

Please choose at least one reading and one math activity to complete by Friday. Students are welcome to choose more than two weekly activities if time allows. **STUDENTS SHOULD SPEND a maximum of 10 MINUTES ON EACH HOMEWORK ACTIVITY.** All homework is due on Friday.

Math	Reading
Choice 1 At a meal time, separate your food (peas, beans, etc.) into groups of 10.	Choice 1 Go on a walk with your mom or dad and point out environmental print (trademarks, street signs, etc.)
Choice 2 On a piece of paper, trace both of your hands. Number your fingers (starting with your right pinky) from one to ten.	Choice 2 Draw 3 pictures of things that Apple Annie (Letter A) may like.
Choice 3 Make your own counting book, using the numbers 1-10. Put one number on each page and draw a picture with that many items on it. (ex. The page with the number 1 on it should have 1 animal, 1 sun, 1 house, etc.; the page with the number 4 on it should have 4 animals, 4 suns, 4 houses, etc.)	Choice 3 Pick a story with mom or dad. Look at the front cover and find the title of the story. Make a prediction about what you think this story is going to be about. Write your prediction down (with help if needed) and illustrate it with a picture.
