

Kindergarten Weekly Homework

Week of September 23, 2013

Please choose at least one reading and one math activity to complete by Friday. Students are welcome to choose more than two weekly activities if time allows. **STUDENTS SHOULD SPEND a maximum of 10 MINUTES ON EACH HOMEWORK ACTIVITY.** All homework is due on Friday.

Math	Reading
Choice 1 Complete the task at the bottom of the homework calendar by drawing circles for each number.	Choice 1 Go on an adventure with a fiction book. Have your mom, dad or older sibling read a book to you and discuss all the adventures the characters go on.
Choice 2 Use magazines or newspapers and find groups of items for the numbers 1-10. If you get stuck it is okay to draw some.	Choice 2 Draw 3 pictures of things that Clever Cat (Letter C) may like.
Choice 3 You are a mail carrier. You have 20 packages to deliver to 4 houses. Make a map or draw a picture to show as many different arrangements the 20 packages could be delivered. (For example House 1= 2 packages House 2 = 8 packages House 3= 5 packages House 4= 5 packages) Tip: It is okay if each house does not get the same number of packages.)	Choice 3 Choose something other than a book to read (magazine, newspaper, etc.). Compare and contrast the text you chose to your favorite book.
