

Wiley Kindergarten Corner

Curriculum

Math

In math, for the next two weeks we will be learning about measurement. Students will be learning about length, capacity, height, distance, and weight in various hands on interactive centers. Students will be comparing whether things are shorter or longer, heavier or lighter, far away or close up, etc.

Science

In science students are continuing to compare and contrast animals from our unit. We now have earthworms and red worms, and roly-polys.

Reading

The focus for the next two weeks is for readers to take on the role of characters in stories. Students will be taking on the role of a Letterland character. They will

Other News

End of Year Picnic

Please save Tuesday, June 10th for our Kindergarten End of Year picnic. This is a tentative date pending upon approval from the principle. We will let you know if this changes. Our End of Year Picnic will occur from 10:30—1:00. We will have a

be deciding how to take on the character's feelings and appearance.

Writing

Students are finishing up writing their all about books. Students are using other books as mentors. We will be using Letterland language as a mentor for students to construct a speech on the Letterlander of their choice.

Social Studies

We are continuing the unit called, "We are Alike. We are Different." Students are continuing to comparing and contrast differences in cultures and people. Students will be observing and discussing the differences and similarities between their families and the needs of other cultures.

Conferences

class performance from 10:30—11:30 in your child's individual classroom. Hopefully, weather conditions will be good and we can end this celebration with a picnic lunch.

Field Day

Field day is on Monday, June

Please return conference forms or get in touch with your child's teacher about setting up an end of year conference. We are excited to share the progress that your child has made all school year.

Flip Flops

With the spring weather many students are wearing flip flops and sandals. We have had many students have minor injuries on the playground. Students **must wear shoes that have backs on them. Flip flops and sandals without backs are no longer allowed.** Thank you for your support in this matter, to help keep your child safe while they are playing.

9th. Mr. Schisler is in need of parent volunteers to help him run the field day stations. Please let him know if you are interested. Additionally, classroom teachers need to know if your child will be bringing lunch or buying lunch for that day. Please return the form or email your child's teacher and let them know.

Upcoming Events

- ☺ Conferences are being scheduled and happening now! Dates vary depending on your child's teacher's schedule.
 - ☺ June 9th Field Day
 - ☺ June 10th from 10:30 to 1:00 is tentatively scheduled for kindergarten's end of year picnic.
- ### Fun Home School Connections
- ☺ Find things around the house to measure using non standard measurements (paper clips, pencils, crayons, etc.)
 - ☺ Have students research another country. How do the needs (clothes, food/water, shelters) look different? Why?
 - ☺ Make a book similar to your favorite author. Use the author as a mentor.
 - ☺ Compare and Contrast bugs at your house.
 - ☺ READ, READ, READ! Pretend to be the character in the story and act it out to retell.
